SMP-R Update

✓ SMP Explorer consultant on board to develop site

✓ Trackers received with Policy Clarifiers in draft

✓ Action Plans and work with planners ongoing

Coastal Group NETWORK

Work this year

- Populate the new action plan template
- Update your SMP action plans
- Work on improving the interface with planning

What have you done to date and what are you working on now?

- Populate new action plan template
- Update your SMP action plans
- Work on improving the interface with planning

What is your plan from here and who are you engaging with?

- How can we support engagement locally?
- What risks or issues do you foresee?
